

To a very  
sweet girl  
that sits in front  
of me in J.T.'s class.  
Hope you enjoy your  
summer! I really enjoyed  
our little talks we had  
behind Mr. Tomlinson's back!  
Stay cool & Keep the Faith!  
Wanda Radwanaki

Clarice,  
it's been lots of fun knowing you  
I really hope you and John have  
a wonderful future together, it  
must be really nice to be married  
while in school I bet it has made  
your senior year go a lot quicker  
you always seem so happy, and it  
makes me wish I were married,  
anyway have a nice summer,

Love  
Sue Ritchford

Clarice -  
Have a really fun-  
future. Please stay  
in good health. You're  
the only married person  
I know I think you're  
really sweet & beautiful  
stay that way. Maybe I'll  
see you in the future. I'd  
hope so. Well I'll  
end my stomach for 15 min.  
I looked like a lobster.  
and lied on my back for 2 1/2 hours  
and looked like shit. (Ha-ha)  
Bye  
Love always  
Lumi Gallina

Clarice,

It's been about 7 years  
that I've known you &  
it's years I know you  
better than any other person  
I the next person coming. You  
a great best & love you that  
way. You & John are good to  
each other and always remember  
me always okay. Well have  
to have a party with the girls  
to be over we are each other  
again.

Love Linda

CLARICE -

BEST OF LUCK IN YEARS  
TO COME, STAY HAPPY  
AND FRIENDLY STAY COOL  
AND STAY ON THE  
SOUL PATROL

AND  
REMEMBER

BLEAH!  
LOVE  
FOR YOU

Clarice,  
Well, we finally made  
it through Kasper, and  
somewhere, what a great  
4 yrs. in school I hope  
your life is full of a lot  
of happiness. Being married  
and all there's not to much  
to say about having a great  
summer with all those groovy dudes  
but you got one, so I'm sure you  
won't miss a damn thing. See you  
around.

Love you,

Rehine

Amelene

Clarice.

DURING A regular board meeting, Dr. Thomas E Woods pauses for a moment to gather his thoughts

DR. THOMAS E. WOODS—District Superintendent of Schools

DISTRICT ADMINISTRATION—Mrs. Lucille Crain, Mr. David Miller

## District Administration

To relate to the total community  
for the benefit of the schools.  
This is the goal of the  
district administration.

Results of overpopulation?  
Administrators join with the  
Citizen's Committee to  
find a solution.

Open or closed campus?  
A meeting with merchants and students  
to decide its fate.  
Graduation requirements?  
Lowered five points to  
allow for more individual freedom.

The community and schools join together  
to make the learning experience  
more enjoyable for both.

DISTRICT ADMINISTRATION—Mr. James Crockett, Dr. Frank W. Ramsen

BOARD OF EDUCATION—Dr. Robert D. Lundy, Mr. Eleanor G. Curry (president), Mr. John J. Hanson, Mr. Edmund J. Rea (absent), Dr. Richard C. Kaehler

# School Administration

More freedom and responsibility  
for students

Bridging the gap—  
Administration and students work  
together as a single force trying  
to achieve common goals.

Policies—less strict, more relaxed  
in an effort to make school  
more casual.

P.T.S.A., student council, principal's  
advisory committee, and the  
communication and planning periods—  
working towards better inter-school  
communication.

Lower graduation requirements and  
new classes  
along with improved channels of  
communication,  
are all instruments working for  
a freer atmosphere for students.

MAKING SURE RHHS students don't miss a minute of class, Principal Frank Ferguson adjusts the bell system. Being a good electrician is one of the many talents needed for being a principal

The goal is communication

This year a new medium: informal discussion groups. Students discuss, ask, relate and learn from counselors and each other.

The result? Student-counselor understanding.

"DO YOU HAVE work that's easy and high paying too?" Tom Bondurant asks Mrs. Jean Etter, RHHS provides a Work Experience service where students work and receive high school credits toward graduation

Can I help you?

Yes.

I was approaching a green light at the intersection of Silver Spur and Hawthorne, when my bicycle had a blowout. I broke my foot in the chain, fell off and was violently thrown against the signal light, recovering just in time to see my library books mangled by a bakery truck delivering fresh rolls to the school.

Could I please be excused from P.E. for a week? We're playing ping-pong.

No.

Well actually, I was thinking more along the line of a home teacher.

School-wide issues:  
Double versus single lunch,  
Open campus, flexible scheduling.  
These are desirable measures for  
students, allowing more individual  
choices and freedoms.

But how do these affect the  
management of our campus?

The secretaries arrange  
schedules and keep attendance,  
the custodians and groundsmen  
maintain classrooms and  
landscape,  
the cafeteria staff prepares  
mass meals and cleans up afterwards.

The solution of our spacial  
problems lies in the cooperation  
of student body and staff.

## Mathematics

If one teacher eats six apples and trades two more for a copy of "War and Peace," then pays a \$4.97 light bill, on what night does he go bowling? New problems and situations in Math help to update the program and relate better to students. Once a farmer sent his son through college. When the son returned the father asked, "Well, what did you learn?" The son could only think of " $\pi r^2$ ." The farmer was infuriated, he shouted, Pie are round, cornbread are square!"

A great mass of humanity  
side by side.  
Each striving  
to speak and be heard,  
to be listened to and comprehended.  
Yet turning coldly on each other,  
indifferent.

Brotherhood?  
Emotions ignored,  
intentions misunderstood,  
cultures unshared.

Why speak in another's tongue?  
An attitude—a personal attempt  
to bridge the gap in understanding.

What? You dropped a pair of scissors in the soup? No wonder it tastes a little sharp! Why the scissors, this is bachelor cooking?! It's all because of the girl in mechanical drawing? She asked you to the Christmas formal and you dropped your T-square. So you went to Home Mechanics to fix it and ended up fixing a leaky faucet and sharpening the scissors? Then you went to electronics to work on your amplifier and it was raided by 14 giddy girls and a broken toaster? . . . Did you know your soup is burning?

we're accepted at colleges,  
we've cried at graduation.

Is this all there is?  
I'm happy—and sad.

Years of sounds and voices pass in the dark  
songs of relation, tunes on comparison,  
ballads of fantasies long past  
but the music now becomes my own composition,  
and the rhythm a heartbeat of the years to come

VICE-PRESIDENT—Eugene McAdoo

ASB REPRESENTATIVES

HISTORIAN—Cher Forster

Teri Wood Melissa Rando Renee Rutkosky

SECRETARY—Shelley Vaughn TREASURER—Barbara Eadie

PRESIDENT—Greg Reznick

Our Junior year brought a number of transformations: suddenly college became a consideration with the PSAT and college representatives.

We achieved responsibility in planning the Speakeasy during Homecoming and in making arrangements for the Junior-Senior Prom aboard the Queen Mary.

Responsibility was placed upon us and the lower classes in maintaining, and possibly broadening the privilege of open campus.

As seniors next year, we will acquire even more responsibility contained in the procedure of completing high school.

# Sophomores

VICE PRESIDENT—Cara Opatov

SECRETARY—Nancy Suppelsa

ASB REPRESENTATIVES

Susan Pendelton, Marianne Parks, Kristen Poling

HISTORIAN—Jody Perbix, TREASURER —Cheryl Parana

PRESIDENT—Parge Lewis

#### Traditions:

We make them, keep them,  
and break them.

The gentle patter of anxious  
feet herald these eternal  
apparitions.

Sophomores, no longer  
the beginning, not yet the  
end, grow with awareness  
and shed their former  
alienation.

As a part of the whole,  
we strive for unity.  
As a unit, self-complete,  
we aim for individualism.  
This sophomore year is  
the medium of a bridge  
between the naive  
and the all-knowing,  
the apathetic and  
the involved  
It is the dawn  
of perception.

# Freshmen

VICE-PRESIDENT—Ellen Engeke

TREASURER—Michelle Zayed SECRETARY —Penny Olera

ASB REPRESENTATIVE

Andy Contreras vs. S. Amand Paul Gutierrez

HISTORIAN—Bonnie Levin

PRESIDENT—Donna Potiker

Our freshmen year came quickly.

We adjusted to the life of a new school, taking part in clubs, activities and sports.

Contributing to all events, we unite to better our school and lose ourselves in the complex problems of communication, campus improvements and community interaction.

But involvement only enhanced our enjoyment of this new experience.

The year and its activities sped by, leaving us with but memories and understanding, a fine end to the beginning.

## Leaders initiate effective changes

New freedoms, new procedures,  
new responsibilities  
The spirit of unity and drive for effective  
reform is molding  
student body government into a single force  
working toward improvement.

New systems of communication and planning  
are bringing students and  
their government closer together.  
Open campus supplies an increased  
atmosphere of student freedom—  
relaxation of mind and body.

Student government brings ideas and  
people together for the purpose  
of strengthening the student experience.

IN A PEACEFUL moment between the exhausting lectures and discussions at Leadership Camp, Keith Angel casually strums to an attentive audience

WHILE INVOLVING themselves in student government at Leadership Camp, Laura Quick, Nancy Skinner and Bill Hanson contemplate the issues

LEADERSHIP CAMP—FRONT ROW: Steve Xenos, Lucy Njoroge, Harley Bjelland, Rob Wetherell, Nancy Skinner, Carole Hall, Katy Schneider, Polly Harvey, Ellen DeLorenzo, Phil Wade, Greg Reznick, Jan Landry, Helen Zelon, Andy Ludlum, Ellen Moglewer. ROW 2: Laurie Quick, Teri Wood, Ann Evans, Keith Topiiffe, Donna Distable, Juanita Jackson, Cyndi Riley, Sue Vatz. ROW 3: Eugene McAdoo, Paul Craig, Sue Pendelton, Therese Mina, Jeff Louie, Melissa Randel, Elodie St. Geme, Mary MacLeilan, Debbie

## Fall forum brings unique ideas

A time, a place and an opportunity  
a chance to develop  
leadership ability  
in the relaxed atmosphere  
of Idyllwild.

Students take time to concentrate their efforts  
toward forming a strong government by  
exchanging old ideas and  
constructing new ones.

The new school year  
invites them back to  
create a great year

RHHS leaders casually stroll among the trees on a leisurely walk at Idyllwild

JUMPING AT A chance for fun, camp participants take time out for a volleyball match. Relaxation is a much appreciated aspect of leadership camp

# Artists create for fund's sake

He is a fellow man,  
my friend,  
I seek unity through all forms of art,  
we express for the sake of helping others  
brotherhood in the end.

Create an emotion to share with me,  
a sculpture, a freeform,  
an intricate fountain,  
a visual interpretation  
of being free,  
a probe into the aesthetics  
forgotten.

Hands deep in clay,  
hands entwined in string,  
hands all bound together  
Art for Fun (d)'s Sake is  
the artist's contribution  
to human compassion.

FINDING ONESELF through artistic expression becomes an important part of Art for Fun(d)'s Sake, complimented by student involvement

MOOD AND EFFECT aid appreciation of art displayed for approval at Art for Fun (d)'s Sake. A chance for reactions

and criticisms arises when art and artist meet the public, as artists remind themselves where beauty lies

**VIEWING ARTWORK** with the sun looking on becomes a trying experience. One way to combat the heat is to wade in to view the art

THE FOLK AND BLUES sounds of '71 come across cool and gentle as solo artists create pleasant moods. Holly Foster projects a serene atmosphere with the help of her guitar

KATHY LEBENTAL retains the attention of a responsive hootenanny audience

KAREN FISHER performs before the audience of the October Hootenanny, as they witness her fine performance

**UNDER LIGHTS** with critical eyes gazing up up at you. Your figures which stand removed and alone, because only you are on stage.

**VARIETY AND** individualism set Hootenanny apart from all else. Hootenanny '71 brings across the sounds of Jim Sitterly, as talent presents itself.

**DAVE TRIBBLE** and Mark Medin combine talents for singing "America," one of the songs which overwhelmed those present. Talent made Hootenanny what it was.

## Sounds unite folk

Individualism finds togetherness,  
togetherness brings enjoyment,  
enjoyment presents enlightenment,  
enlightenment takes form  
the form of expression, and  
expression provides entertainment.

People watch, anticipating  
anticipation turns to observation,  
observation gives experience,  
experience is there  
the experience of Hootenanny '71

The experience of being—  
being a part of something,  
no matter what part  
performing or enjoying,  
Hootenanny '71 was there.

**RELAXING** at a ringside seat, three girls enjoy their lunch while the marathon dancers provide entertainment.

**DONNING** a twenties costume to fit the occasion, Mr. Doug Nubie enjoys the spirit of the Homecoming activities.

**WONDERING** how much longer she can last under marathon pressure, Annamay Floyd rocks to the roaring sounds of the twenties with dwindling determination.

**ENTHUSIASTIC** marathon dancers line up to do the bunny hop. Trying to keep with the spirit of the twenties, RHHN students attempt to dance for five hours.

# Twenties revival tries endurance

ADDING a special rhythm to the festivities, the Disneyland Jazz Band was a welcome attraction at Homecoming

Sunshine  
greet the day in your finest attire,  
for I have come home.  
Soft breeze  
raise a victory cheer,  
bind the spirit within the souls of us all.  
An image is formed of a lingering dream  
of a rosy nostalgia: a bees' knees memory.  
Oh, sometimes I laugh and sometimes cry,  
I am a child and I am grown.  
Don't disturb me with troubles of your own  
friend, I'm flying much too high.  
I know I've had my share  
of cold and insincere smiles,  
I've been turned out and turned on  
for so many miles.  
But I've got rockets in my pockets  
and I've got wings upon my shoes,  
and right now,  
I just know I have come home.

WITH THE unmatched skill and talent born in every top racer, Wayne Spanier makes a quick turn toward the finish line on his trusty trike

# 'Little Mary' is a shining success

Little Mary Sunshine:  
nightly rehearsals,  
bright lights and costumes.

Anxiety builds.  
The day of judgement arrives,  
a lonely stage, a pensive audience.

Project. . . louder!  
Fine.

Young and old combine  
in a light-hearted rendition  
of 1920 frivolity and romance.

The sun shone its golden rays  
into my heart today,  
and made it sing.

CORP. BILLY JESTER (Mike Gottlieb) informs the rangers of their future confrontation with the Indians.

CHIEF BROWN BEAR (Dewey Ostrom) contemplates the future of his adopted daughter, Little Mary Sunshine, with Captain Jim Warrington

**CAPTAIN JIM** (Gary Brunson) pleads with Little Mary (LuAnn Malseed) to wait as he searches for the hostile Indians

**ANXIOUS FOR** the second act to begin three fans sit during intermission. Young and old enjoyed the fall performance, "Little Mary Sunshine"

**NANCY TWINKLE** always gets her man! Finishing school girls listen as Nancy (Angela Pfund) reveals her infallible man-trapping plan

PRINCESS—Laura Keller

PRINCESS—Wendy Campbell

PRINCESS—Robin Gedicks

KEY CLUB QUEEN—Bonni Stamper

PRINCESS—Denice Gazeley

## Couples move to tune of peace

### Peace

The theme setting the tone of the Winter Formal.

### Giving

Bringing gifts for needy families—just one way of adding to the spirit.

### Excitement

Bonni Stamper crowned Key Club Queen.

### Music

The background sounds by Thee Perfections.

All these elements created an atmosphere of Peace.

# Professor experiments with audience perception

WITH A gesture of anger, Julius Sumner Miller demands an answer to one of his complicated queries.

PROFESSOR MILLER demonstrates various physics experiments as students intensely observe. Here, the professor ignites a candle in a glass and covers it. Why does the flame die out?

# Music lovers create dance concert

**STRUMMING** SWEET tones on a mellow guitar guides two pickers into a world of self-expression, inner thoughts and creativity

**WHILE PERFORMING** the Rolling Stones' "Bitch," the bass player of Hippopotamus expertly helps to develop an exciting solo riff

**AMIDST THEIR** equipment, the heavy group of the night, Hippopotamus, tunes their instruments, later playing the songs of Chicago, Santana and others

We were given an insight into the mastery of rhythm when Hippopotamus performed at the dance-concert. They expressed a sense of completeness in their functioning as one. And perhaps we may yet learn the perfect strains of angelic choirs. Professor Julius Sumner Miller of El Camino College offered us a new perception of human intellect. He showed us a universe of inquisitiveness so that we might, just once, ask why.

# Foul and fair reign over campus

Joe Passerino, Kevin Keenan, Tom Ketcham, Jack Spidell, Scott Gordon, and Mike Adair compete for their picture as well as the Mr. Ugly title

STUNNING HER fellow actors, Laurie Kelley undulates across the stage in the PTSA production "Li'l Abner."

## Hillbillies highlight 'Li'l Abner'

TAKING A break, a band of backcountry belles, in scant hillbilly costumes, look on to an approving summer audience while their boyfriends dance in the PTSA summer play, "Li'l Abner."

ALICE GIBLIN and Danny Thor link arms in a romping square dance at a lively hillbilly wingding in a light-hearted performance of "Li'l Abner" last summer.

# Senior students tackle the facts

**SENIOR MIKE** Young raises his arms in a futile attempt to block Mr. Bill Ryan's pass intended for a faculty team mate. The seniors won

**KURT SENFF** anticipates a pass while faculty defender Mr Bob Pier moves in on the ball. The encounter took place early in the fall

Summer sets the stage for Li'l Abner as schools combine talents for the PTSA show. While RHHS students aid in the comedy, the show goes on.

Music, people and talent blend, before an appreciative audience. Rehearsal and practice are rewarded by the cast's performance.

Students overcome faculty rivals when Seniors take to the football field. Skill, persistence and pursuit clinch a hard fought victory for Seniors.

Youth and agility play an important role as determining factors for victory. With faculty lacking the potential of youth, they had to rely on other assets.

CHOREODANCERS, masquerading as raisins, endorse Post Raisin Bran in "We Interrupt This . . ."

"Annexed Anticipation"

DANCE INSTRUCTOR, Mrs. Cozette Walker, prepares the dancers for their performance. Through her gentle persuasion and guidance, "Pomegranate Circus" once again displays true talent

ROBIN GEDICKS happily cavorts in a well aimed poke at the television ads in "We interrupt this

CHOREO MEMBERS are captured in recurring positions as they dance to a jazz number called "10x27x8."

AWAKENING THE innovative mood of the choreo show in "He thought it should be red . . . but it wasn't anything," Dianne Barash casts a gentle light on the serene stage

# Football

The varsity football team, competing for the first time in the Ocean League, finishes out the season with a four-win, one-loss record. In pre-season action, Miraleste finally beat the Titans after having suffered two straight losses to RHHS. Recovering fast, the Titans defeated their next three opponents by overwhelming scores, including a 33-6 victory over Palos Verdes, making up for last year's defeat. They appeared ready for their league opener against Hawthorne. Very aware that Hawthorne had yet to win a game, RHHS was very confident of victory. The difference in records did not bother the Cougars as they ran past the Titans 22-14. Nevertheless, RHHS won their four remaining league games by great margins, including a 33-6 Homecoming victory over West Torrance.

Although left out of the playoffs, the Titans were certainly a big part of the individual post season honors. Darrell Kreitz was named to the second All-CIF team and Mark Ensminger was named to the third team. Eleven Titans were named All-Ocean League. Darrell Kreitz, Scott Gordon, and Mark Adair were named on both offense and defense. Jim Shaw, Phil LaFollette, and Kevin Kreitz were named on the all-league offensive team, while George Marro and Mark Ensminger were chosen on defense. In addition, Darrell Kreitz was named Most Valuable Player in Ocean League. The Titans had as many players chosen on the all-league team as all the other league schools combined.

The Junior Varsity had a successful season this year with six wins, no losses and one tie. They've lost only three games in the last eight years. The JV's also took first place in their new Ocean League. The Sophs had a good season too, with a 6-3 record overall and a 4-1 Ocean League record, which was good for second place. The Sophomores lost their only league game to first place West Torrance.

The Frosh football team finished the 1971 season with an overall record of 5-4 and a league record of 3-2. The Freshmen lost to West Torrance and Mira Costa while defeating Inglewood, Hawthorne and Culver City. Rick Allen was outstanding on defense for the Freshmen.

Running 14 miles a day in order to join the 1000 mile club, Griesmer breaking course record in the first home meet, working under the enthusiastic guidance of Coach Bob Latham—these events marked the most successful season of any RHHS Cross Country team.

The team opened the season with a victory over Redondo, followed by losses to Palos Verdes and South. In league action the Varsity was victorious over Culver City, Inglewood and West. The runners finished with a 3-2 league record, second in Ocean League, which qualified them for CIF competition. After being successful in the semi-finals, RHHS proceeded to CIF finals at Cal State Long Beach, where they finished tenth.

Returning Lettermen Jeff Gardner, Mike Griesmer, Rick Negvesky, Don White and outstanding Sophomore Chip Nettels were instrumental in leading the Varsity to its successful season. Griesmer, the team captain and most valuable runner, was named to the All-Ocean League Squad. He was also the team's nominee for Athlete of the Year.

In Ocean League Cross Country, this was truly the year of the Titan. JV, Soph, and Frosh had very successful seasons, promising a bright future for RHHS Cross Country.

The JV's finished with a perfect 5-0 record, placing first in league. Runners Arne Beck, Scott Campbell, Corky Gardner, Bob Tom, and Scott Weigel led the team to victory.

The Sophomores were led by Ocean League champ Mike Somers, along with Eric Martin, Craig Woods, and Rich Johnson. In pre-season action, the sophs finished first in both the Mt. Sac and Palos Verdes Invitationals. Posting a 4-1 league record, they finished second behind West Torrance.

With an impressive season of victories, the Frosh team easily won the league crown. Outstanding freshmen were John Buesseler, Jamie Pettinghill, and Dave Catanzarite.

# Water polo

A first place league finish and an 11-win, 8-loss season record marked the most successful season in RHHS water polo history. Constantly displaying the strength which earned them a CIF berth, the Titans trounced Leuzinger (32-4), Hawthorne (28-5), and Culver City (23-1). In CIF play RHHS suffered a narrow loss to Crescenta Valley.

Besides team honors, the Titans received plenty of individual honors. Tim Murphy and Ron Lundgren were named to the All-Ocean League first team, while Mike Jones and Dave Perbix made the second team. Murphy, the team captain, received the Athlete of the Year nomination.

The Bee's posted a perfect 5-0 record this year in the Ocean League. Only two of the wins were runaways. A 30-11 win over Hawthorne and a 20-8 win over Inglewood. The Bee's shot a modest .366 per cent.

The Cee's posted a 3-2 league record this year. The Cee's smashed Hawthorne 15-3, Inglewood 6-5, and Culver City by forfeit. They dropped a close one, in overtime to Santa Monica and an 8-4 decision to Mira Costa. Larry Ivins was fantastic holding five records this year including a .519 shooting percentage.

# Basketball

CIF-rated Titans were the best in history; scoring of John Menzelos and rebounding of co-captains Ed Phippen and Keith Appel sparked RHHS; looking to CIF, Titans were number one in Ocean League.

The Titans gave an indication of their abilities in tournament play by placing second in the Lakewood and Torrance tourneys, and by winning the Consolation title at Hawthorne. John Menzelos was named to all-star team in each tournament, a first in RHHS history. Ed Phippen was named at Lakewood, while Pat Sullivan was selected at Torrance.

In league action, it took the Titans only two games to secure a first place position. They continued to outplay their opponents, posting a perfect record at the end of the first round. After dropping a game to Hawthorne, the team finished the season strongly, capturing the league title.

Thanks to Coach Dan Clayton and the 13 Varsity cagers, basketball is finally a success at RHHS. Thank you basketball team and yes, it was worth the wait.

Not to be outdone by the Varsity's outstanding season, the JV's also finished the season with the league title. Led by the scoring of Mickey Cummings, the team consistently beat their opponents by wide margins. Terry Jarvis and Tom O'Hern were also standouts.

The Sophomores, although bothered by injuries, finished with an impressive league record, losing only to Culver City and West. Outstanding cagers included Dave Bilas, Mitch Shatzen and Tim Reeve.

Good team defense and consistent rebounding contributed to the Freshman team's success this year. The team placed first in league. Players consistently turning in excellent performances were Andy Allen, Les Green, Bob Jones, Tim Smith and Greg Nakamoto.

This year the Titan grapplers were in the new Ocean League. They started out well and grabbed a 5-0 record going into the league finals. All wins were landsliders including a 75-0 win over Culver City, except a very close 25-22 win over Mira Costa. George Marro and Mark Ensminger were outstanding on Varsity posting 22-4 and 23-3 records respectively.

With a first or second in the Ocean League finals, the Titans would win the Ocean League Crown. In the Ocean League Finals the Titans got 94.5 points, Hawthorne 84.5, Mira Costa 84, followed by West, Inglewood, and Culver City. The Titans won the League Crown and finished the year undefeated. They then went on to the C.I.F. Finals.

Following the example of the Varsity team, the Junior Varsity matmen took a first place in the Ocean League and league finals. They closed a fine season with a 5-0 record, always outdoing their opponents by 15 points or more, including a 53-2 win over Hawthorne and a 54-12 win over Culver City. Lance Lawhead, a Varsity-Junior Varsity trade-off, was outstanding for the JVs and did very well on Varsity. The Frosh-Soph team did well this year, and there are some excellent prospects for the '72-'73 season.

Paced by returning lettermen Patrick Sullivan, Jeff Louie, Alex Nikalokopulos, Rick Green and newcomer Dave Bilas, the 1972 Varsity Golf Team overwhelmed their opponents, finishing with a strong league record.

At the end of the first round of play, the team posted an excellent 4-0 league record. They were victorious over Inglewood, Hawthorne, Santa Monica and chief rival, Culver City. Since the Titans defeated their opponents by such large margins, they are expected to do equally as well in the second round of league play.

## Swimming

In a year of great success for RHHS sports, Varsity Swimming was no exception. Going undefeated in pre-season and league play, the well-balanced team easily captured the Ocean League title. High points of the season included a 93-1 trouncing of Hawthorne, and a first place finish in the Peninsula Invitational over several schools.

Each team member excelled in his event, contributing to the team's success. Standouts included seniors Tim Murphy, Pat Graham, Mike Jones and Dave Perbix. CIF-rated Curt Wilson placed first in every diving event, and along with other divers John Allen and George Addington, is expected to place well in league finals.

This year, Coach Frank Akins' Bee Swimmers finished the season with an overall swimming record of 7-1. In league, they took third place with a 2-2 record. Bill Grady, Paul Craig and John Bauer were consistently top performers as they placed in almost every meet.

In the '72 season, the Cee Team swam to a 5-3 overall record and then on to a 4-0 record in the Frosh division where they took a first in their league. Tom Gill excelled in the 100 breaststroke winning first at the Mira Costa meet.

Victories were over Culver City, Hawthorne, and Inglewood. Many players recovered from injuries just in time for the start of league action.

Supplying the offensive punch were Bill MacPhee, Darrell Kreitz, Steve Abdo, Kevin Kreitz, and team captain Phil LaFollette, while defensive strength was provided by Dave Calvert and Jamie Opatrny. On the mound, Tom Bondurant and Mike Ongarato consistently displayed their talent.

New to the team this year was sophomore Bruce Schiff, who showed great improvement and much potential. With many returning lettermen, next year's season should prove to be very successful.

## Track

The best Varsity Track Team RHHS has ever seen began its season by taking first place in the Palos Verdes Kiwanis Invitational. Mike Griesmer began his record-breaking course by clocking 9:39.5 in two miles.

While Griesmer led the team in long distance running, other athletes also excelled in their events. Steve Beyers and Bob Fong were the leading sprinters, Scott Weigel performed well in the 880, and in the field events, Ed Phippen and Scott Gordon were standouts in the high jump and shot put.

With a 2-1 record after three league meets, the Titans look forward to a first or second place league finish.

# Tennis

Tennis has always been a successful sport at RHHS, and this year's team is no exception. The Titans, usually considered a powerhouse in the sport, had only three returning lettermen. The weight of the 1972 campaign was expected to be on the shoulders of seniors Doug Austin and Mark Lester along with junior Mark Miller. However, additional talent was discovered in freshmen John Austin and Kurt Stalder, along with the rest of the well-balanced team.

Beginning the season strong, the Titans easily had a 7-0 record in league action. Highlights of league play were victories over Inglewood and Mira Costa even though the team was not at full strength. Due to the fact that the team is young and talented, RHHS should look forward to excellent teams in the future.

The Junior Varsity team is also doing very well, with an equally fine future ahead of them. Outstanding players this year included Scott Supernaugh, Rod Gabuya, and Tom Kleinhenn.

Despite tough new Ocean League competition and only two returning varsity players, the RHHS Girls' Volleyball team finished fourth in CIF. Mary Nettels was chosen Most Outstanding Player and Lori Jennings was picked Most Improved. Manager Bev Dyda gave invaluable help to the team. Coach Emily Wierenga predicts great successes next year for a green but talented line-up who practiced hard and will surely develop into a tough team.

# Swimming

RHHS girls' swimming and tennis teams were outstanding in competition. The swim team, coached by Mrs. Barbara Hardesty, broke school records and the Frosh-Soph team was second in CIF. Kathy Lyon set a CIF record in the 50 yard freestyle.

The undefeated tennis team was Ocean League champ, with a record of 5-0. Coached by Miss Judy Takii, Renata Cioth was runner-up in CIF singles and doubles; Leslie Winston and Teresa Fasola were undefeated.

The RHHS Girls' Basketball Team played a fine season, finishing third in league. Coach Barbara Hardesty said the team played well, but they are still inexperienced. Ann Barr was named High Scorer and Cathy O'Donnell was High Rebounder. The team used a zone defense and a varied offense. Next year the team should be even stronger.

The Girls' Softball Team is powerful at Rolling Hills this year, with an excellent chance of winning the league title. Coach Judy Takii hopes that with strong batters, a good infield, three especially strong pitchers on Varsity and some talented freshmen will make our team a real standout.

Coach Joan Ohrmund said there are promising new members for the future.

The Girls' Gymnastics Team at RHHS won the League title last year and are out to do it again this year. Coach Emily Wierenga attributes their success to an extensive array of talent. You—you know who you are. You worked and toiled for this yearbook. And for a year, you were united into one. You combined and conflicted with one another until these final pages went to press. And now it's over. A thank you is not enough. Each of you gave me something that I'll never forget.

I hope Jan finds her marbles. I hope Marcia finds a willing photographer. I hope Chris finds a Lettermen's Club picture. I hope Holly locates Jyl-and-madeleine. I hope Alan can find a fool who will pay the rest of his banquet ticket. And I hope Brady comes to appreciate her mother as much as I do.

I too  
will something  
make,  
into an image  
of my thoughts,  
my love,  
my life among  
you.

We will together  
in time create  
a memorable  
experience  
for today  
and tomorrow.

The memory  
among ourselves  
is inescapable,  
for the pages  
mirror a time  
of reflection,  
smiles and  
laughter

We had many of the same experiences,  
but I call them mine.  
You helped me to understand them,  
now I must understand myself.  
Our friendship lacked but one thing—  
It is not forever.

Vacant rooms echo with memory .

I can hear it.

Autographed walls put boundaries on my thoughts

I was limited.

Classes and lines and bleachers were crowded

Now I am alone.

I have drained knowledge from you,  
I am selfish  
You have shared your wisdom with me,  
I am grateful  
You and your words will linger in me,  
I will remember

and if you ever do  
at all, please, don't let me hear it,  
because I'm sure you'll be able to find  
a way to get your hands on it.  
And now you can go up and down  
the  
lily you

What, did you believe it? We  
the gonna be out in just a few  
days. You know Clara I am really  
gonna miss you probably more than  
any one else at this school, we've had  
a lot of good laughs together in P.O.s  
and Oless classes and our Jentlemons  
and of course we can not forget  
the famous Bushy ones! I hope  
I had fantastic plans and I hope  
there will be some way we can still  
keep in contact! We have said that  
a million times and we both never  
do anything about it! So let's try  
real hard because if we don't  
we will probably never see each  
other again. And you mean to make  
to me, to just let our friendship  
end. I bet this is really blowing  
your mind because I'm usually not  
that serious but when I think of  
the chance I may never laugh and  
talk with you again it's really quite  
hard to joke. You know what I  
don't sing your name any more! Well,  
Clara if I don't stop soon this is gonna  
sound like a love letter from a lesbian.  
Clara I wish you and John all the  
happiness there is because you both are  
great people and deserve it all! Please  
take care of yourself. Good luck once  
you get out of school, I don't know  
if the world is ready for CHARICE  
BOWLER! Ha I love you both  
Keep in touch!  
Love ya

I am so  
 glad I got to  
 know you better  
 this year. You are one  
 of the nicest people around. I wish  
 I could of been at your wedding.  
 to see you get married but I didn't  
 know you are well as now. I hope you  
 and John are always happy together.  
 I'll come by in the summer just to  
 keep in touch. Congratulations for making  
 it through the four years. Love ya,  
 Francine!
